Class Descriptions

Fighting Fit - A challenging cardio workout which provides great upper body toning, using boxing gloves and pads. Suitable for intermediate to advanced fitness levels.

Cross Training - A class offering a variety of Hi/Lo aerobics, step & muscle toning. Basic movements. Suitable for intermediate to advanced fitness levels.

TBT - Tum/Bum/Thigh - Tone these areas using controlled and selective movements. Minimum co-ordination required. Suitable for all fitness levels.

Step - For step lovers who enjoy more complex movements. Tones lower body. Suitable for intermediate to advanced fitness levels

Shape - Group resistance training using body bars, dumbbells & steps. Change your body shape while increasing strength & muscle endurance. All levels of fitness.

Fat Burner - Using basic aerobic & toning exercise designed to keep you working in the correct fat burning zone. Suitable for all fitness levels.

Box 'n' Tone - A combination of Fighting Fit & weights - the ultimate fat burning & toning workout. Suitable for low to advanced fitness levels.

Pilates - A unique mat class consisting of stretching & strengthening which greatly improves posture, flexibility & balance.

- Beginners – 1st Timers (class max 25)
- Pilates – Completed min. 6 beginner classes.
- Advanced – Completed min. 20 classes.

Fitness - No frills workout with weights, body bars, dumbbells & steps. Suitable for low to advanced fitness levels.

Aqua - A fun workout combining muscle toning with cardio vascular conditioning without the stress on joints. Suitable for beginners to intermediate fitness level

Circuit – Toning and Fat Burning workout, lots of fun and variety
