Class Descriptions

Fighting Fit – A challenging cardio workout which provides great upper body toning, using boxing gloves and pads. Suitable for intermediate to advanced fitness levels.

Cross Trainer – A class offering a variety of Hi/Lo aerobics, step & muscle toning. Basic movements. Suitable for intermediate to advanced fitness levels.

Hard Yakka – Forget the coffee this class will be sure to wake you up! A physically demanding workout utilizing a wide range of body weight and equipment based exercises to get you working at maximum effort.

Booty Blast – Beginners to Advanced - Focusing on all aspects of Glute training, including legs and core. Expect to do lots of squats, lunges and Glute bridge variations for a great B U R N.

Pilates – A unique mat class consisting of stretching & strengthening which greatly improves posture, flexibility & balance.

Fitness – No frills workout with weights, body bars, dumbbells & steps. Suitable for low to advanced fitness levels.

Aqua – A fun workout combining muscle toning with cardio vascular conditioning without the stress on joints. Suitable for beginners to intermediate fitness level

HIIT Fit– High Intensity Interval Training. Ultimate cardio and strength workout. A sweatathon using weights and body weight exercises which will be sure to burn a stack of calories!

Gentle Exercise – Light exercise for the seniors

Power For Seniors – For seniors who like a little more of a challenge.

Yoga – Hatha and Vinyasa styles.

Rejuvenate Yoga – Slower style of yoga requiring sharp mental focus. Great whole body stretch!

MMAFIT – MMAFIT is a non combative, high intensity group fitness experience designed on exercise and techniques found in MMA. Suitable for males & females at all fitness levels.

Body Sculpt – A non- impact class using free weights, combining both isolation and compound exercises as well as core activation to sculpt, strengthen and condition the entire body.
