

NINE WAYS ROUNDABOUT CHANGES ALTERNATIVE DRIVING ROUTES TO THE JUNIORS

Transport for NSW announced that from 10pm on Friday 30th June, the Kingsford Nine Ways roundabout will be replaced with traffic signals in preparation for the CBD and South East Light Rail. A number of traffic changes will remain in place:

- Northbound there will be no right turn from Anzac Parade into Rainbow Street
- Westbound there will be no right turn from Rainbow Street into Anzac Parade
- Eastbound there will be no right turn from Gardeners Road into Anzac Parade

As a result, some of the routes you are used to taking to drive to our club may no longer be accessible. The map below shows the alternative routes (highlighted with blue arrows) to the front of our club for those who may need to drop people off or pick people up. The car parks on Anzac Parade can be accessed as usual.

The Juniors would love to hear from you if you have any feedback or suggestions as to how we can assist you when visiting our club during the construction phase of the Light Rail. Please email us at sydneylightrail@thejuniors.com.au.
