Dear members

Due to the new Covid-19 guidelines and restrictions in NSW our clubs are temporarily closed.

We will be closed until Saturday 17th July at 9am at the earliest. As you would appreciate this can change at very short notice and is very likely to be extended.

For those of our members that have tickets for events during this time we will be working on alternatives.

Please be assured that your tickets are safe and with each event we will either be trying to re-schedule or possibly cancel dependent on what we can offer.

We thank you for your patience in the challenging time and hope to welcome you back in to the Juniors Group of Clubs very soon.
