

## ***Re-opening Statement (Update 22<sup>nd</sup> October)***

The Juniors Group of Clubs including our three venues at Kingsford, Maroubra and Malabar are all open for business in line with the NSW government directive for hospitality venues.

Our opening is conditional to a few rules that we must all abide by. These include that entry will only be allowed to patrons who are fully vaccinated at the time and can provide proof of this upon entry. This will apply to all patrons 16 years and over entering the premises for whatever purpose. Once inside mask wearing is still mandatory for all patrons and staff. Please understand these rules are government guidelines and will need to be upheld by our staff and patrons. All venues will be operating under the 1 person per 4sqm rule at this time and we may have to limit numbers at busy times if we reach capacity. We thank you in advance for your co-operation.

The club will be able to offer Bar, Restaurant, Gaming and Fitness services. For more detailed information please read below. Club Information about specific areas of the club can all be accessed on the website [thejuniors.com.au](http://thejuniors.com.au)
