

Re-opening Statement

The Juniors Group of Clubs including our three venues at Kingsford, Maroubra and Malabar look forward to welcoming back our members and guests from **Monday 11th October** at 12:01am (after midnight Sunday at KINGSFORD only) in line with the NSW government directive for hospitality venues. Our venues will have been closed for over 15 weeks at this time in what has been a challenging time for all of greater Sydney.

The 11th October opening is conditional to a few rules that we must all abide by. These include that entry will only be allowed to patrons who are fully vaccinated at the time and can provide proof of this upon entry. This will apply to all patrons 16 years and over entering the premises for whatever purpose. Once inside mask wearing is still mandatory for all patrons and staff. Please understand these rules are government guidelines and will need to be upheld by our staff and patrons. All venues will be operating under the 1 person per 4sqm rule at this time and we may have to limit numbers at busy times if we reach capacity. We thank you in advance for your co-operation.

The club will be able to offer Bar, Restaurant, Gaming and Fitness services from the 11th October. For more detailed information please read below. Club Information about specific areas of the club can all be accessed on the website thejuniors.com.au

Entertainment

We are very keen to offer some form of live entertainment in the coming months. We are seeking clarification on whether performers need to wear masks and if so this will make it difficult to present live music.

With changes to rules on December 1 allowing greater capacities and the restrictions on mask wearing more than likely changing we are scheduling bands and shows for December. Please refer to the club's **website thejuniors.com.au** for further details. Once we re-open we will assess the viability of all our live entertainment options as we know how much our members are looking forward to seeing live music again.

All function enquiries can be put through to Functions co-ordinator as per usual but all events will be subject to the restrictions at the time of booking such as 1 per 4 sqm etc. our Staff will be able to answer any specific questions about current bookings or any new enquiries.

As in the past these things can change at very short notice and we will adapt as per the government guidelines.
