EXTRA VOUCHERS ARE NOW AVAILABLE TO USE

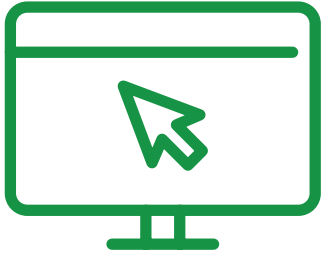

You can now use your extra 1 x \$25 Dine NSW Voucher and 1 x \$25 Discover NSW Voucher.

That means each NSW resident can receive a total of 6 x Dine & Discover NSW Vouchers to use getting out and about and supporting hospitality and recreation businesses.

How and when can I get my extra \$50 in vouchers?

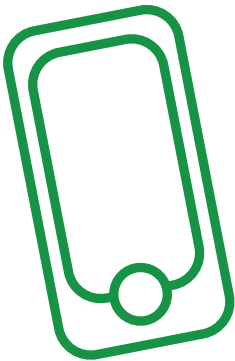

If you previously applied for Dine & Discover NSW, you'll receive your vouchers in the same way. When you'll receive them depends on the following.

Service NSW app or website - from late November

If you applied online, you'll automatically receive the extra vouchers in your MyServiceNSW Account.

- Open the Service NSW app, log in and select 'Vouchers', or
- Log in to your MyServiceNSW Account on your desktop and view your dashboard, or
- Check your email for a copy of your vouchers.

SMS or over the phone - from 1 December

If you received your vouchers by SMS, you'll automatically receive the extra vouchers by SMS on the same mobile number. To update your number, please call Service NSW on 13 77 88.

If you applied over the phone, you can call 13 77 88 to receive the extra vouchers by email or SMS

Service NSW Centre - from 1 December

If you applied at a Service NSW Centre, you can pick up your vouchers by 'Call & Collect'.

1. Call Service NSW on 13 77 88 to have your vouchers printed and ready to collect at your nearest Service NSW Centre.
2. After 3 business days you can bring at least one proof of identity document and visit your nominated Service NSW Centre to collect your vouchers.

What if I haven't already applied?

Download or open the Service NSW app or visit service.nsw.gov.au for more information.
